Re:

We are counsel for Landmark Dental. We have been made aware of the defamatory comments you have published on your website at this URL
<http://www.gospelmissiondental.com/angelynsalaberry/kelownalandmarkdental/> (the "Website").

The allegations you have made are serious and unacceptable. Your defamatory comments have and continue to cause our client's business harm. The allegations you have made are actionable and if you do not remove the defamatory comments from the Website within 30 days from the date of this letter, we will seek instructions to commence a Supreme Court action without further notice to you. In that event, we will be seeking punitive damages for your egregious conduct.

Govern yourself accordingly.

Yours truly,

Per:
